FOR IMMEDIATE RELEASE: October 1, 2009

SUBJECT: NEW HIRE CONTINUES EXPANSION AT ALLIANCE MONITORING TECHNOLOGIES, LLC

WICHITA, KS – James Lindamood, Managing Partner of Alliance Monitoring Technologies, LLC has announced the hiring of a new sales representative to further the company's aggressive expansion into new territories and industries. Sean Stoy (Kansas City, MO) has been retained to facilitate sales growth in Missouri, Southern Iowa, Southeastern Nebraska and Eastern Kansas. This new addition to the staff is in keeping with the company's transition to a regional provider of monitoring and security services to the healthcare industry, and the enhancement of their existing product line and services for future growth into other industries.

"The addition of Sean to our staff will allow the sales department to respond more effectively to the changing needs of the healthcare industry, while allowing us to pursue other applications that the company's products and services might be suited for."
